Join TEAM FIRST RESPONDERS to run & raise funds

Every year, we assemble a group of dedicated supporters to join our International Medical Corps Team First Responders. Our teams run in races around the country. In the past, we have been an official charity partner in marathons in New York City, LA and Chicago.

**For upcoming runs, you may email
community@internationalmedicalcorps.org**

As a member of our team, you commit to running and raising money to support our lifesaving programs around the world. You will receive guaranteed entry to the race, and in some cases, a discount on registration. Each race requires runners to raise or donate a minimum fundraising goal.

Can't commit to raising a specific goal amount?

Official team membership may not be in your plans this year, and that's OK. We still welcome you to use our Crowdrise page to ask your friends and family to support your run and help you raise funds for International Medical Corps in any amount you choose.
